

Patrick Freyer's Personal Website

This is my personal website hosted on GitHub Pages. It showcases my portfolio, projects, and professional information.

Features

- Modern, responsive design
- Smooth scrolling and animations
- Mobile-friendly navigation
- Project showcase section
- Contact information

Technologies Used

- HTML5
- CSS3 (with CSS Variables and Flexbox/Grid)
- JavaScript (ES6+)
- Font Awesome for icons
- Google Fonts (Inter)

Development

To run this project locally:

1. Clone the repository:

```
git clone https://github.com/patrickfreyer/patrickfreyer.github.io.git
```

2. Navigate to the project directory:

```
cd patrickfreyer.github.io
```

3. Open `index.html` in your browser or use a local server.

Deployment

This website is automatically deployed to GitHub Pages when changes are pushed to the main branch.

Customization

To customize the website:

1. Update the content in `index.html`

2. Modify styles in `css/style.css`
3. Add any additional JavaScript functionality in `js/main.js`
